Cellular Components

myelin sheath	
mitochondrial protein-containing complex	
mitochondrial-inner membrane	
mitochondrial respiratory chain complex IV	
inner mitochondrial membrane protein complex	
mitochondrial respirasome respiratory chain complex IV	number of gene
respirasome	102030
cytochrome complex	40
respiratory chain complex	p.adjust
oxidoreductase complex	4e-06 - 3e-06 - 2e-06 - 1e-06
respiratory chain complex III	_
mitochondrial respiratory chain complex III
