Cellular Components

postsynaptic density

proton-transporting two-sector ATPase complex

cytosolic large ribosomal subunit

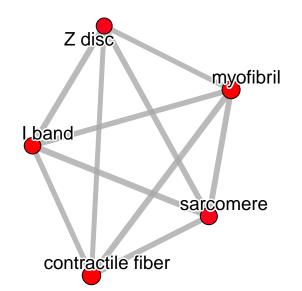

polysomal ribosome

cytosolic ribosome

cytosolic ribosome

cytosolic small ribosomal subunit

small ribosomal subunit

mitochondrial inner membrane

mitochondrial protein—containing complex

inner mitochondrial membrane protein complex

cytochrome complex

oxidoreductase complex

respirasome

respiratory chain complex I

respiratory chain complex

mitochondrial respirasome

mitochondrial respiratory chain complex I

mitochondrial respiratory chain complex IV

respiratory chain complex IV

NADH dehydrogenase complex
